

A top-down view of a desk with a dark, textured surface. In the top left corner is a small potted succulent with thick, green, pointed leaves. In the bottom left corner are a pair of black-rimmed glasses with gold-colored temples. In the bottom right corner is a silver-colored pen. In the center is a spiral-bound notebook with a white grid pattern. Overlaid on the notebook are several green geometric shapes: a large hexagon containing the word 'deffter', a smaller hexagon containing the year '2024', and a small circle.

My Elizabeth

You are, without a doubt,
the most wonderful thing in
my life. I never dreamed I
could feel about someone the
way I do about you. You're
beautiful, sweet, kind, and
caring, and I love you more
every day. I can't imagine
a day without

The background is a vibrant, abstract composition of liquid-like shapes and bubbles. The top half features large, flowing shapes in shades of blue and cyan. The bottom half is dominated by warm, orange and red tones, with several prominent, glossy red bubbles in the lower-left corner. The overall effect is one of dynamic movement and positive energy.
